GIFT DAY

Thank you to all who contributed to our Gift Day. The total to date is £1540. If you would still like to donate, please see Mark.

A NOTE FROM THE TREASURER (Mark)

You may have noticed that your envelope number has changed from last year. This isn't a mistake. I used to order 50 sets of envelopes because we had nearly that number of people making donations through the weekly collection but over time, our numbers have dwindled and I have reduced the number of sets of envelopes to 25. That has meant that the number on your envelopes has changed this year. I keep a record of donations made for those of you who pay income tax and have made Gift Aid declarations so that the church can claim Gift Aid from the HMRC. The numbered envelopes are the way that we keep those donations confidential.

DAY-TIME BIBLE STUDY, begins again Thursday 10 January, 1.30pm

At St Georges. This is a relaxed look at how the Bible relates to our life today. Led by Denice.
